- Golden Bible ***available in the office for \$15***

N.B. This Bible is for all three years of middle school, and because of this it is imperative 1) that you make sure your child's name is in their Bible, and 2) that before the Bible is ever put in a backpack or a locker, it is highly recommended that it be suitably and aggressively reinforced, inside and out, with clear mailing tape. (Mrs. Meland is happy to provide instructions.) Otherwise, you may need to keep buying new copies of the Golden Bible over the course of middle school. Even students who are relatively responsible with their belongings end up with coverless, tattered Bibles by the end of sixth grade.
